School Results 2016

The information below compares the attainment of our pupils with local authority and national averages.

Early Years Foundation Stage

76.9% of pupils in Reception attained a Good Level of Development against the Early Years framework. This is above the local average (68.4%) and national average of 69.3%.

A Good Level of Development is defined as children working at the expected standard or exceeding the expected standard in the key areas of literacy, maths, physical development, communication and language and personal, social and emotional development.

Year One Phonic Screening

100% of pupils in Year One attained the expected standard in the Phonic Screening test. This is above results from previous years and is also above the local average (84.85) and national average (81%).

Key Stage One

This is the first year of the new testing and assessment arrangements for Year 2. These arrangements reflect the more challenging national curriculum which was introduced in 2014. Therefore, results cannot be compared with previous years. For more information please see the leaflet *Information for parents* from the Standards and Testing Agency.

At the end of KS1 (Yr2), teachers are required to assess each child in the areas of reading, writing, maths and science. National Curriculum assessment tests are used to support teachers' judgements.

The system of national curriculum levels has been removed and the new measures are as follows:

Expected Standard – Working at the expected standard for a child at the end of Year 2

Greater Depth – Working at greater depth within the expected standard, with a strong understanding of the curriculum

End of KS1 SAT results 2016	Greatham Cof E School	National Average
Reading Expected Standard	93%	74%
Reading Greater Depth	36%	24%
Writing Expected Standard	93%	66%
Writing Greater Depth	29%	13%
Maths Expected Standard	93%	73%
Maths Greater Depth	36%	18%
Science Expected Standard	100%	82%

Key Stage Two

Children in Year 6 also took part in the new testing and assessment arrangements. Pupils' knowledge and understanding of the new curriculum was assessed. This curriculum provides greater challenge with higher expectations set for the end of KS2.

The results of the SATs (tests) are reported using a scaled score, where a score of 100 represents the expected standard. The highest possible score is 120 and the lowest is 80.
