Charging and Remissions Policy

Introduction

All education during school hours is free. We do not charge for any activity undertaken as part of the National Curriculum.

This policy is monitored by the governing body, and will be reviewed annually or earlier if necessary.

Prohibition of Charges

The Governing Body recognises that the legislation prohibits charges for the following:

- education provided during school hours (including the supply of any materials, books, instruments or other equipment);
- education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- tuition for pupils learning to play musical instruments if the tuition is required as an essential part of the National Curriculum.
- education provided on any trip that takes place during school hours;
- education provided on any trip that takes place outside school hours if it is part of the National Curriculum, or part of the schools basic curriculum for religious education;
- transporting registered pupils to or from the school premises, where the local education authority has a statutory obligation to provide transport;
- transporting registered pupils to other premises where the governing body or local education authority has arranged for pupils to be educated;
- transport provided in connection with an educational trip

Voluntary contributions

When organising school trips or visits to enrich the curriculum and the educational experience of the children, the school invites parents to contribute to the cost. All contributions are voluntary. If we do not receive sufficient voluntary contributions, we may have to cancel a trip. If a trip goes ahead, it may include children whose parents have not paid any contribution. We do not treat these children differently from any others.

If a parent wishes their child to take part in a school trip or event, but is unwilling or unable to make a voluntary contribution, we do allow the child to participate fully in the trip or activity.

The following is a list of additional activities, organised by the school, which require voluntary contributions from parents. These activities are known as 'optional extras'

- visits to museums;
- sporting activities which require transport expenses;
- outdoor adventure activities;

- theatre
- musical events.

Residential visits

Parents are obliged to at least pay for the residential expenses of such trips and school will contribute to the full cost of the travel.

A savings scheme will operate to allow parents to spread the cost of such trips over a longer period of time.

Music tuition

All children study music as part of the normal school curriculum. We do not charge for this. There is a charge for individual and group music tuition if this is not part of the National Curriculum.
